

2024 Northern Illinois Winter Jackrabbit

The Northern Illinois Winter Jackrabbit Program has been going on for over 40 years. The participating clubs compete for a traveling trophy. This trophy is presented to the club that wins the most Sunday shoots. Each participating club hosts two Program events at their club. The team score is determined by taking the five highest club member's scores shot on that day. The highest team total wins that Sunday.

The Jackrabbit will be 9 weeks long. The first 8 weeks consist of the regular weekly shoots, shooting each host club twice. The ninth week will be the Carryover, High Gun shoot offs and Special Event.

In the event there is a weekly shoot cancelation, the ninth week will be a make up week and the Carryover, High Gun and Special Event pushed out to the tenth week.

The first 8 shoots will be used to determine winning teams, Top Gun and eligibility for the Carryover and High Gun shoot offs. **You must shoot 5 of the first 8 weeks to be eligible.**

Hosting clubs in 2024 are: Downers Grove Sportsmen's Club, Maywood Sportsmen's Club, McHenry Sportsmen's Club, and St Charles Sportsmen's Club.

Shooters must be a member of the club they are shooting for and can only shoot for ONE CLUB PER YEAR.

A team from a club other than the clubs listed above may participate as long as they pay the \$25.00 club buy in fee and have at least 5 shooters. These clubs are not required to host a shoot unless arrangements are made to use the facilities of one of the clubs listed above.
